Frequently Asked Questions about Lifestyle IDs

How does an owner transfer the use of their amenities to a renter or guest?

The owner must complete and sign the Lifestyle Resident ID request form, turn in all photo IDs issued for the address where they are requesting Lifestyle IDs, and pay a non-refundable \$50 processing fee per each request form. When possible, the owner should turn in the form 30 days prior to the Temporary Lifestyle Resident's arrival date, especially during the winter months. The owner IDs can be turned in at a later date as long as they are turned in prior to the Temporary Lifestyle Resident's arrival.

Where can a Temporary Lifestyle Resident go to obtain their IDs?

Temporary Lifestyle Residents will obtain their Resident ID at one of the following Sales Centers:

- For those who are staying north of Rt 466: Spanish Springs Sales Center
- For those who are staying south of Rt. 466 and north of Rt. 466A: Lake Sumter Landing Sales Center
- For those who are staying south of 466A: Brownwood Sales Center

If the processing fee has not been paid in advance, the temporary Lifestyle resident will be required to pay \$50.00 prior to receiving their ID's.

What is the difference between a guest pass and a Temporary Lifestyle Resident ID?

A Temporary Lifestyle Resident will have full resident member access to the amenities along with resident rates. A guest pays guest rates for golf, tennis, and other amenities. Without a resident number, the guest will not be able to request Tee Times in advance. A guest also will not have access to Sports Pools or the woodworking shop and may experience difficulty accessing some shows or classes where residents have priority and guests are allowed only when there is an available space.

Can more than two people at a home have temporary Lifestyle Resident IDs?

We will process only up to two Temporary Lifestyle Resident IDs for a property. Once the IDs have been picked up, the Temporary Lifestyle Resident may obtain guest passes free of charge for other guests. Guest passes are issued at one of our eight Regional Recreation Centers and are good for up to 30 days at a time.

Is the processing fee refundable if the Lifestyle Resident does not pick up the ID?

No. The \$50.00 processing fee is non-refundable. If notice is provided prior to the arrival date, a credit will be given for one (1) year in the name of the person(s) that originally paid the fee.

Can the ID be extended if the Lifestyle Resident stays longer than the original departure date listed on the form?

An extension of the Lifestyle Resident ID can be processed at no charge if notice is provided **prior** to the expiration date of the original ID. Once the IDs have expired, a new application and an additional \$50 non-refundable fee is required to make another ID.

Can the Temporary Lifestyle Resident take advantage of the owner's priority membership or trail fees that have been paid by the owner?

No, an owner's priority membership or trail fees only apply to the individual owner's resident number. If desired, a temporary lifestyle resident can purchase their own priority membership or trail fees that would be applied to their Temporary Resident ID number.
